Divide Rooms, Reduce Noise, Display Information With Screenflex Room Dividers

Flexible Spaces Require Flexible Solutions

WHY SCREENFLEX

Innovation

- Quality Throughout
- Sound Absorbing
- Easy to Operate and Store

- Flexibility
- Built To Last
- Safety and Stability

customer satisfaction

"We needed to create more workspace for our interns. The partition allowed us to take an unused room and make it usable for this purpose."

David, Aerotech, Inc. - Pittsburgh, PA

"Testing and research are done at our location and we needed a solution to hide confidential testing being done. When we are not using the divider for testing, we use the whiteboard side in our conference rooms."

Evelyn, ITW Innovation Center - Glenview, IL

visionary mission

...to fulfill the partitioning and space management needs of our customers through the development of high quality, innovative products.

 JOHN MAAS
 PRESIDENT

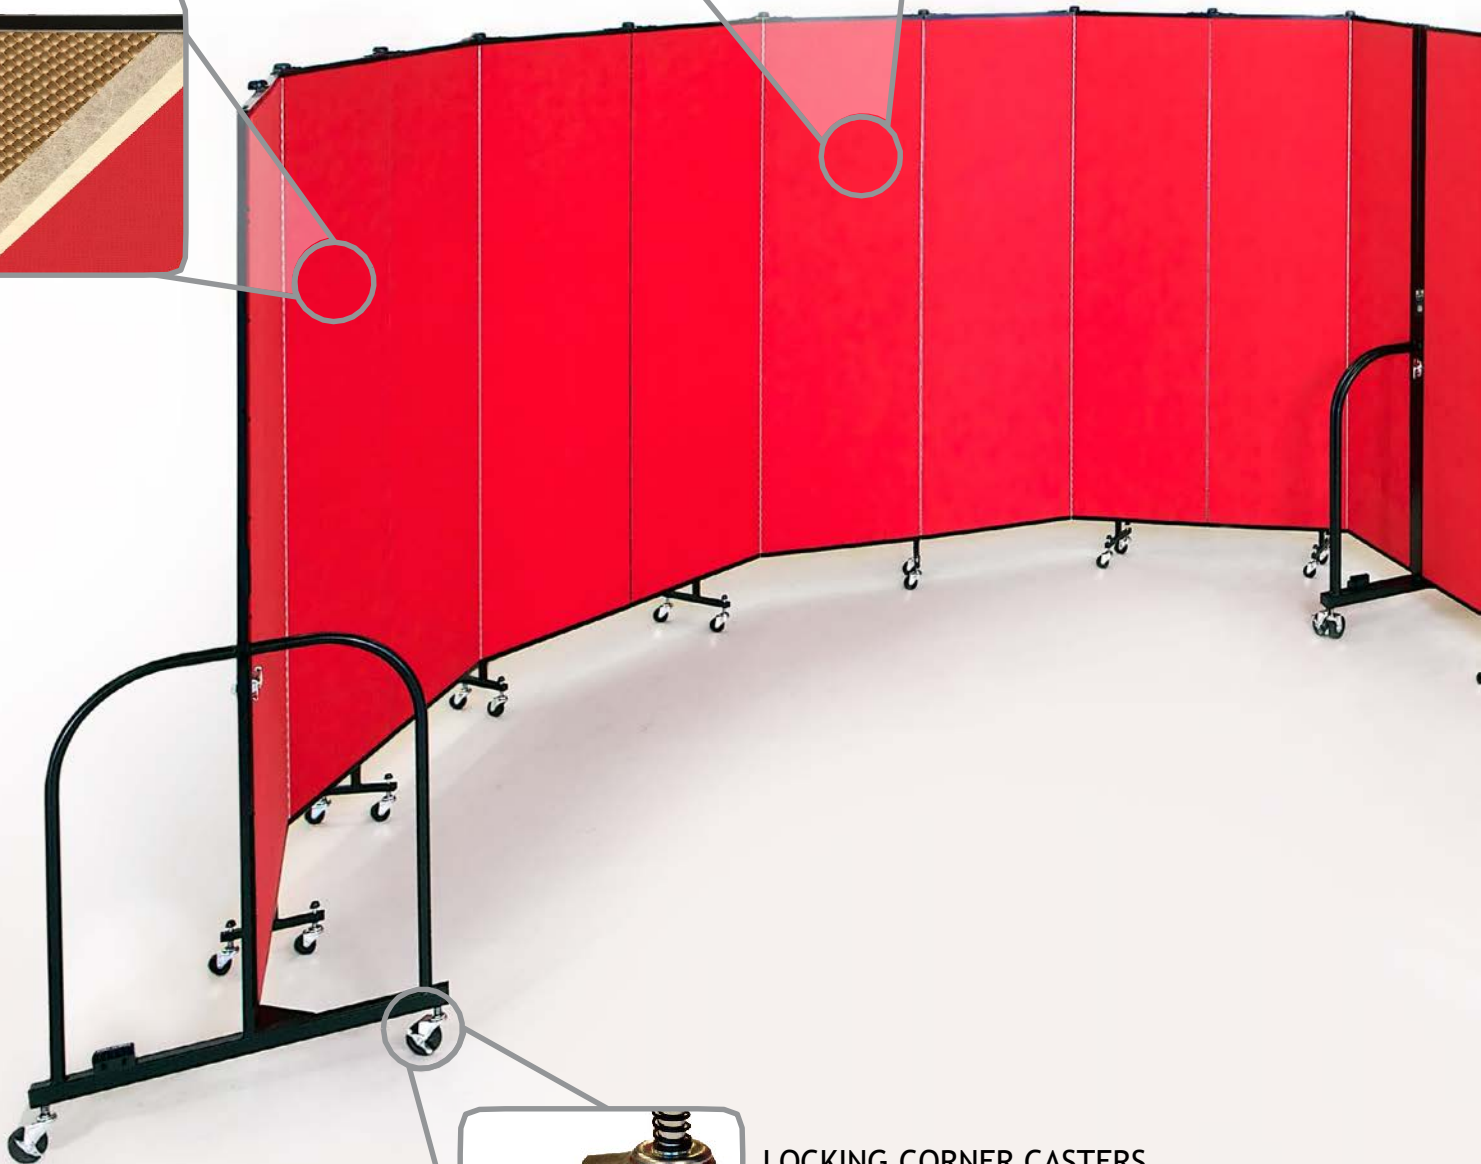

SOUND ABSORBING

Each panel is constructed using a 1.27 cm closed cell honeycomb core covered by two layers of fiberglass insulation on each side for maximum sound absorption.

TACKABLE PANELS

Tack, pin or staple items directly onto the panels.

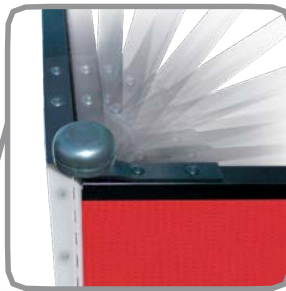

LOCKING CORNER CASTERS

Pedal activated brakes on end casters keep the divider secure and stable.

INNOVATIVE EXCLUSIVE FEATURES

screenflex.com/features

POSITION CONTROL HINGES
Molded position control hinges help the divider remain in the desired configuration.

FULL-LENGTH HINGES
A metal hinge is screwed into each panel every 10.16 cm, from top to bottom, to provide strength and stability.

SELF-LEVELING CASTERS
Adjusting to uneven surfaces, self-leveling casters provide added stability.

STORAGE LATCHES
Locking storage latches on both ends keep the panels securely in place while moving or when storing the divider.

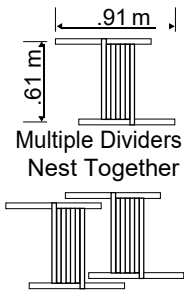

Standard

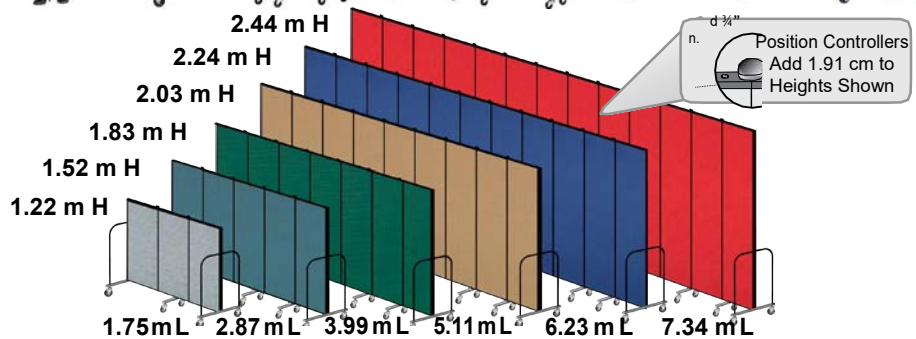

6 Heights | 6 Lengths | 32 Colors

Amazing Compact Storage

Our best-selling divider provides the flexibility to divide rooms, display material, and absorb sound. With tackable panels and exceptional stability, the Standard divider is the solution for most customer needs. The dividers arrive fully assembled and nest together for compact storage.
